

KIDZ CAMP 2019

LICE PRE-CHECK FORM

This form must be signed by one of the following:

1. Medical office within 2 weeks of camp (beginning July 11th)
2. At Camp lice pre checks on July 21st from 1-6 pm
3. During registration on July 25th.

_____ was pre checked for Lice on
(name of camper)

(date)

This camper was clear of any lice (live nits or bugs) on this day.

(signature of person who checked the head: Medical personnel or camp staff)

Has your child had lice in the last month? _____
(yes/no)

Has your child been treated recently for lice?

If so, when and with what: _____.

Kids camp reserves the right to check any child's head for lice if they deem necessary. IF lice is found, the student will need to leave camp. The child can come back to camp if they have been cleared and their belongings treated. We have a no live nit or live bug policy.
